

MARCESINA

Verdi pascoli interrotti solo da fitti boschi di abete rosso fanno da scenografia ideale per vivere la natura all'insegna dello sport e dei sapori di malga

The green pastures are only broken up by thick Norway spruce woods: an ideal place to enjoy sport and food from shepherds' huts in natural surroundings

CONSIGLI DI SICUREZZA: La percorribilità degli itinerari in ambiente prealpino è condizionata da agenti atmosferici e da fenomeni naturali. Per questo le informazioni proposte sono soggette a variazioni. Prima di partire, informati sullo stato del percorso contattando strutture e servizi presenti, local expert e uffici IAT che trovi su laviadelleprealpi.it. Enti locali e associazioni presenti sui territori interessati non si assumono alcuna responsabilità di ordine giuridico per eventuali danni, o incidenti, a persone e cose che possano verificarsi lungo gli itinerari segnalati.

SAFETY TIPS: The practicability of routes in the Alpine foothills depends on the weather and other natural phenomena. Consequently, the information provided may be subject to change. Before you set off, find out about the state of the route by asking local organizations, services, experts and tourist information centres. You can find details of them at laviadelleprealpi.it. Local bodies and associations in the areas covered will not accept any kind of legal liability for injuries or damage to people or things on the marked routes.

SEGUI ALCUNE SEMPLICI REGOLE PER VIVERE UN'ESPERIENZA ALL'INSEGNA DELLA NATURA E DEL DIVERTIMENTO:

- Programma e pianifica la tua escursione in anticipo
- Rispetta la natura e le proprietà private
- Controlla la tua attrezzatura e usa sempre i dispositivi di protezione
- Percorri solo gli itinerari segnalati e rispetta i divieti
- Adegua la tua velocità alla tua preparazione e non oltrepassare i tuoi limiti
- Non spaventare gli animali
- Non abbandonare rifiuti
- Da sempre la precedenza a chi va a piedi e segnala la tua presenza in anticipo
- Evita andature pericolose
- Evita bruschi arresti per non danneggiare il suolo

IF YOU FOLLOW JUST A FEW SIMPLE RULES, YOU CAN HAVE A GREAT TIME IN THE HEART OF NATURE:

- Plan your trip in advance
- Show respect for private property and the natural environment
- Check that your kit is in good working order and always use protective equipment
- Only follow marked routes, obey the rules and do not trespass
- Move at an appropriate speed for your level of fitness and do not push yourself too hard
- Do not scare the animals
- Do not litter
- Always give way to pedestrians and let them know when you are approaching
- Do not travel at a dangerous speed
- Do not stop too suddenly or you might damage the soil
